Before creating any software product, I always start with its design. Only after completing the design phase do I move on to the implementation of the project.

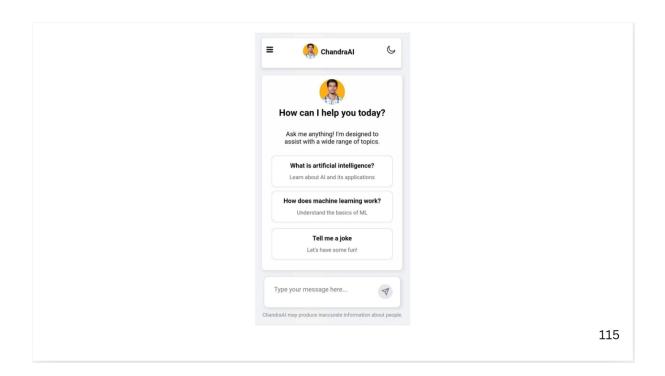

Here are some web designs I created before developing my website.

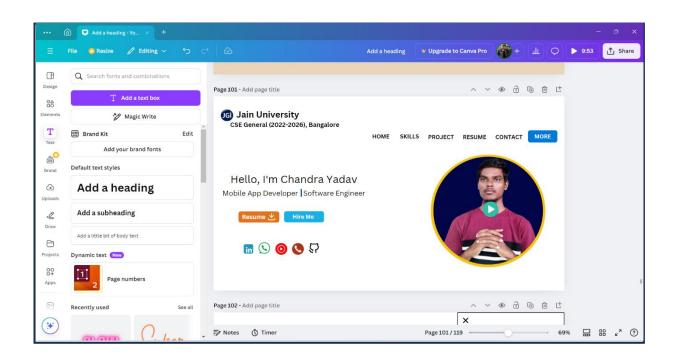

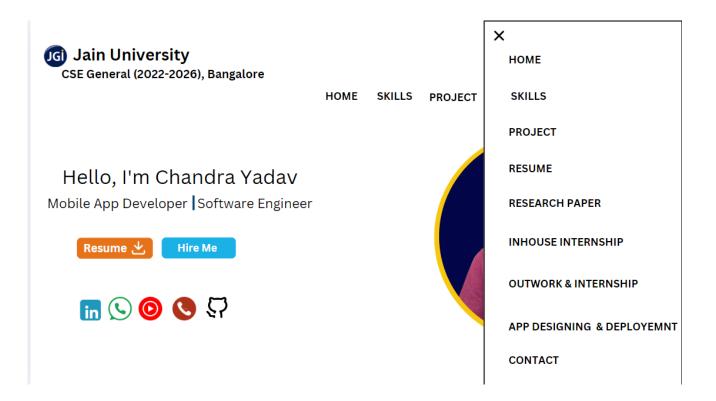

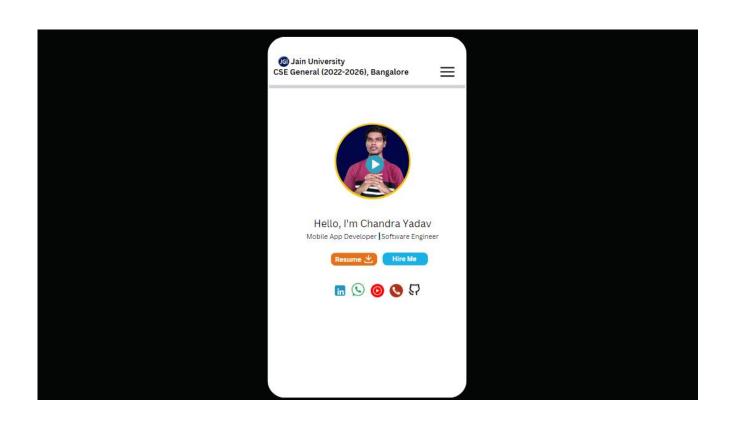

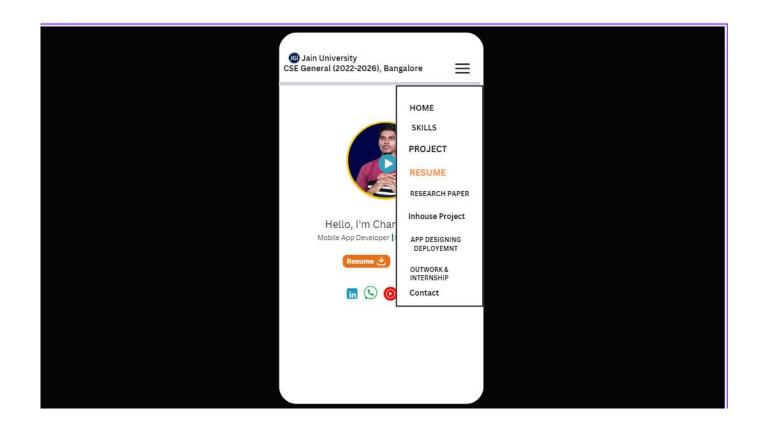

ChandraAl may produce inaccurate information about people, places, or facts.

My Skills_

Here are my skills

Backend Development

- Spring Boot(java)
- NodeJs
- **5** Expressjs

Frontend Developemnt

React Native

ReactJs
