**My approach to creating software products begins with thorough design. Only after completing the design phase do I move on to implementation and start working on the project.**

Here are some web designs that I made before creating the websites.

My Skills

Here are my skills

Backend Development

- Spring Boot(java)
- NodeJs
- Expressjs

Frontend Developemnt

- React Native
- ReactJs

My Skills

Here are my skills

Database Management

- Mysql
- PhpMyAdmin

Tools & IDES

- Vs Code
- IntellijIdea
- Postman

My Skills

Here are my skills

Programming Language

- Java
- C
- Python

Algorithm & Data structure
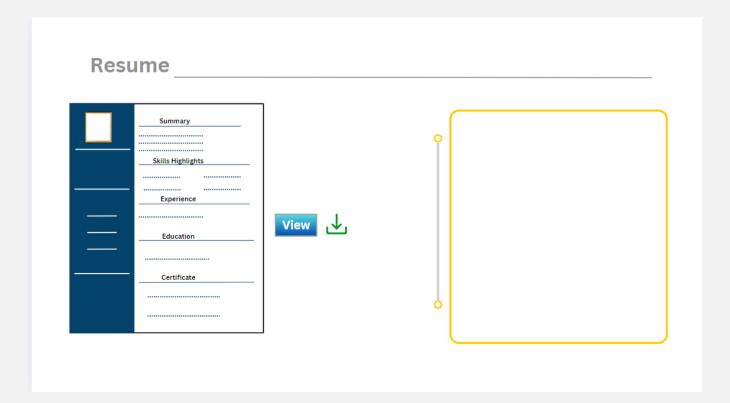

- Data Structure and Algorithm
